Week one theme:  
**Living & Dying**  

**Medical Personal and Professional Development**  
Coordinator: Dr Kingsley Whittenbury

---

**Living & Dying**

- Prepare for your first visit to the Anatomy dissection laboratory to view human cadavers (and body sections)
- Your tutors are GPs and palliative care physicians
- Prepare you for a career where life, illness, dying and death are part of the human life cycle

**ALL Year 1 students** are required to attend these sessions.

All tutorials rooms are on Level 1 of Med School South building

♦ Wednesday 5th March
Anatomy Memorial & Dedication Service 5.30 -6.30pm
Multi-denominational (all religions included)

Anatomy Memorial and Dedication Service

• In memory of the people that donated their bodies for medical students to learn Anatomy
Anatomy Memorial and Dedication Service

• To dedicate new medical students to the humane practice of medicine
• In a sense, the donors’ bodies are your first ‘patients’

Anatomy Memorial and Dedication Service

Wednesday 5th March, 5.30 -6.30pm in Bonython Hall

Please
• Be seated by 5.30 sharp for the academic procession
• Find seats toward the front of the hall
• Dress is neat casual

Guests:
• Academic
• Students
• Family of donors
• Visitors
• Musicians

North Terrace entrance
Your MPPD Portfolio

• Your first assessment task:
  Write about your experience of the ‘Living and Dying’ sessions, and how this experience relates to your chosen career in Medicine.

  **Tip:** Write a reflection while it is fresh in your mind.

Your MPPD Portfolio

• Details of your Portfolio requirements are in the Year 1 MPPD Handbook
  📖 The Handbook is available now on the MLTU website

• Lecture on the MPPD Portfolio next week

  **Thank you**
